## The main requirements for taking out parental insurance are that you:

- live in the Faroe Islands,
- have full tax liability in the Faroe Islands,
- have a B-income according to § 61 of the Faroese Tax Act and that the income has been earned in a Nordic country.

The insurance premium is 3000 DKK annually. You could be covered, at the earliest, the day Barsilsskipanin receives your application, but you must have been covered for at least one year before you can receive any payments.

The allowance is based on the average B-income over the last 12 months before the parental leave. This has to be documented with pay slips.

The allowance cannot be more than 25,000 DKK per month.
